

## Headwaters Softball League Meeting

October 22, 2015

**Treasurer's Report** – Lynn reviewed the treasurers report with the group giving a breakdown of all expense and receipts for the season.

### **Old Business**

- a. By Laws – tabled until 2016 meeting.
- b. Dugout Project Status – Dewey stated that he was not successful in obtaining volunteer help to finish the dugouts and recommends the remaining work be hired out. Sentence to serve was mentioned as an option.

### **New Business**

- a. Lynn suggested adding a concession stand manager position that would be paid. She stated that the treasurer should not also be doing the concession stand buying as it does not allow a good system of checks and balances. She stated that the treasurer position would not be difficult and recommended that the treasurer not be paid but that a concession stand manager be paid \$200 instead. Due to a lack of attendance it was tabled until the spring 2016 meeting.
- b. There was discussion on player participation fees. It was decided that players fees would be reduced to \$100 per team and that any new team would pay no players fees.
- c. It was noted that the league needs to promote in other areas outside the park rapids area to hopefully gain more teams.
- d. Dewey noted that he would be ordering a load of agrilime this fall. The cost is \$850.
- e. Lynn stated that she would like to see a 4x2 sign made for SWI to show appreciation for the beer holders they made for the league.
- f. Mike Lawrence stated that he would like to see a spreadsheet of all the league sponsors.
- g. Mike Lawrence stated that he would like to see the Over 35 league go to carpet ball. Dewey questioned if we would be covered under our insurance for carpet ball.
- h. Dewey stated that he would like to put in for the Mens class E state tournament. Mike suggested Class D as well.
- i. Mike Lawrence stated that the little tractor needs to be fixed or replaced. He said he would take it to Hanish to get a quote. He stated that he would also like to build a sprayer unit for weeds and thistles. It was noted that the fields will need fertilizer and seed next year. It was noted that the league should check with the school in the spring to see if we could use their aerator.

There being no further business the meeting adjourned.
